Samba:	good
Pure-FTPd:	basics
Tomcat:	basics

Hobbies

I'm very active in the Open Source community, among other things I maintain the Emacs FVWM mode (http://www.lair.be/projects_fvwm-mode.php), administer the FVWM forum (<http://fvwm.lair.be>) and moderate some IRC channels.

As one of the founders I am still active in UGOV, the East-Flanders UNIX users group.

Sports: karate, swimming
